While we understand COVID guidelines are reduced in New York and neighboring states, and throughout West Point, the Defense Health Agency **requires masks be worn while inside ALL Military Treatment Facilities**, including Keller, Mologne, DENTAC, etc. Please bring and wear your mask when getting your Flu and/or COVID vaccine, and please continue to maintain hand hygiene, sneeze/cough etiquette, and social distancing when possible.

We **THANK YOU** for your patience as we work diligently to provide high-quality, world class healthcare to the Greater West Point community and our beneficiaries.
