

## **Keller immunization clinic provides influenza and COVID vaccine**

The Keller Army Community Hospital Immunization Clinic is open on Fridays.

### **The Immunization Clinic is available for:**

- Influenza (Flu) vaccine
- The **monovalent** (prime series COVID-19 vaccine) and **bivalent** (the booster dose which addresses the original and omicron variant of COVID-19) Pfizer vaccination.

To schedule an appointment for the immunization clinic, call the Keller Appointment Line (845-938-7992 or 800-552-2907, from 0700-1530) to schedule a vaccination time.

### **The clinic is appointment only and open every Friday from 0800-1600.**

The Bivalent Pfizer-BioNTech COVID-19 Vaccine is authorized for use in individuals 12 years of age and older as a single booster dose administered at least 2 months after either:

- completion of primary vaccination with any authorized or approved monovalent COVID-19 vaccine, or
- receipt of the most recent booster dose with any authorized or approved monovalent COVID-19 vaccine.

**Immunization recipients must present a Uniformed Services ID card or their DoD Beneficiary ID card at their appointment.**

The Immunization Clinic is located on the main/first floor in Keller Army Community Hospital, Room 1C20 – between the Pharmacy and the entrance into the Allgood Clinic.

Please continue to wash your hands or use hand sanitizer upon entry and throughout the day, and practice physical distancing.
