USING THE Q-ANYWHERE SYSTEM FOR PREVENTATIVE CARE

Q-Anywhere is a new way to request a Preventative Screening appointment, at Keller Army Community Hospital, from the convenience of your phone.

Preventative screenings can reduce the risk of illness or disease, can assist with early detection of illness or disease, and can allow providers to determine effective treatment of any illness or disease.

Q-Anywhere is an additional option to the Appointment Call Center at 315-774-8200.

To start, **scan the QR code** (with your smartphone's camera)
