

**FOR YOUR AWARENESS:** The main entrance – sliding doors – to Building 900 (Keller Army Community Hospital) will be temporarily closed so facilities can replace the sliding doors.

**Keller will be open throughout Friday.**

**The replacement of the sliding doors will not affect patient care.**

The replacement is scheduled to take place from Friday afternoon, February 20, 2026, to Monday morning, February 23, 2026, to reduce any impact on patient care.

The closure schedule is:

- **Friday, February 20, 2026, from 12 p.m. - 2:30 p.m. (1200-1430)** – one set of doors will be closed, the other set will be available for entrance/exit.  
**After 2:30 p.m. (1430)**, both doors are scheduled to be secure. Departure from Building 900 will need to occur through the Emergency Room doors or Brian D. Allgood doors. Signage will be posted.
- **Friday, February 20, 2026, at 4 p.m. (1600)** to Monday, February 23, 2026, at 6 a.m. (0600), the doors will be secured.
- **Monday, February 23, 2026, after 6 a.m. (0600)**, the doors are scheduled to be fully operational and open for entrance/departure.

Temporary signage will be posted at the main entrance.

THANK YOU for your patience and cooperation as facilities replace the sliding doors.

Respectfully,  
Keller Facilities Department
