

Keller Army Community Hospital's outpatient and ancillary services will be close on Monday, June 29, 2026, to provide medical support for the U.S. Military Academy's Reception Day for the Class of 2030.

**Closed services include:**

- Primary Care
- Department of Surgery (orthopedic and general surgery)
- Pathology & Laboratory Services
- Women's Wellness
- Eye & Hearing Services

The **Pharmacy Department** will be open but with limited staff. Waiting times may be longer. ScriptCenter kiosk in the lobby will be available.

The **Radiology Department** will be open.

The **Emergency Department** is open 24 hours, and clinics will have staff readily available to provide support to the ED, as needed.

If you have a medical emergency, CALL 9-1-1.

We THANK YOU for your patience as we assure the medical readiness of future Army leaders. #HOOAH
