Family Members and Retirees may obtain a flu shot at a TRICARE-authorized pharmacy or in network urgent care clinic. Beneficiaries are encouraged to check the policies and procedures of their preferred pharmacy prior to obtaining the vaccine. Some pharmacies require a prescription for children under seven years old and may not provide flu shots to children under 4. In such cases, parents can obtain a prescription from their primary care manager, visit a TRICARE network urgent care clinic, schedule a appointment with KACH or attend any community or pediatric flu shot community event
