

## KACH to provide 3<sup>rd</sup> doses of the Pfizer COVID-19 Vaccine to immunocompromised individuals

Keller Army Community Hospital is now providing a third dose of the Pfizer-BioNTech COVID-19 vaccine to moderately and severely immunocompromised individuals that are at least 1 month after their second dose.

If you are immunocompromised and eligible to receive a 3<sup>rd</sup> dose of the Pfizer vaccine you can schedule a vaccination appointment at <https://informatics-stage.health.mil/COVAX/>. In order to receive your third dose, you must provide a note from your physician or medical documentation that you are immunocompromised.

Keller will continue to proactively identify and contact our immunocompromised beneficiaries that are eligible for a 3<sup>rd</sup> dose.

For more information on 'COVID-19 Vaccines for Moderately to Severely Immuno-compromised People,' go to <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/recommendations/immuno.html>.

All vaccinations will be administered at the COVID-19 Vaccine Clinic on the main/first floor in Keller Army Community Hospital, Room 1C20 – between the Pharmacy and the entrance into the Allgood Clinic.

As a reminder:

- In accordance with CDC and West Point Public Health Guidelines, face coverings must be worn at all times on West Point.
- Vaccine recipients must present a Uniformed Services ID card or their DoD Beneficiary ID card at their vaccine appointment.
