

TIRED OF PHARMACY LINES? KELLER ARMY COMMUNITY HOSPITAL'S SCRIPTCENTER IS HERE FOR YOU!

Here's How the ScriptCenter Works:

Enrollment is Easy!

- Go to the ScriptCenter locker and scan your CAC. Create a PIN and register your Bio ID (fingerprint) to use for future prescription pick-ups.

Prescription Filled and Ready for Pick-Up:

- Order your new or refill prescription by requesting through Q-Anywhere by scanning this QR code or text “Get in line” to 833-429-5612.
- For refills call the refill line 845-957-7895.
- Make sure to select “ScriptCenter Kiosk” as your pickup location.

Picking Up Your Prescription:

- Visit the ScriptCenter kiosk in the Keller Army Community Hospital lobby anytime, day or night.
- On the touchscreen, select "Pick Up", enter your PIN, review your medication information and confirm you've received your prescription.

Benefits of Using the ScriptCenter:

- ✓ **24/7 Access:** Pick up your prescriptions at your convenience, anytime, day or night.
- ✓ **Skip the Lines:** Avoid waiting in long pharmacy lines.
- ✓ **Secure and Confidential:** Your prescription information is safe and protected.
- ✓ **Easy to Use:** The touchscreen interface is simple and intuitive.
- ✓ **Convenient Location:** Located right across the Keller Army Community Hospital front desk.
- ✓ **Improved Medication Adherence:** Pick up your medications on time, leading to better health outcomes.

Important Reminders:

- **Expiration:** Prescriptions will be held in the ScriptCenter for a limited time (14 days).
- **Refrigerated Medications:** The ScriptCenter is not suitable for medications that require refrigeration. These medications will need to be picked up directly from the pharmacy.
- **24/7 access:** Please proceed through the ER entrance after hours.
