

**The TRICARE Online (TOL)  
Patient Portal will be  
decommissioned on  
April 1**

The MHS GENESIS Patient Portal provides 24/7 access to your electronic health records generated since your military hospital or clinic transitioned to MHS GENESIS. Legacy electronic health records are located on the TRICARE Online Patient Portal.

**TRICARE Online, or TOL, will decommission April 1, 2025.** To retain personal copies your legacy electronic health records, visit <https://www.tricareonline.com> now to download your records before decommissioning.

Full information on the decommissioning can be found at <https://newsroom.tricare.mil/News/TRICARE-News/Article/4036730/tricare-online-patient-portal-decommissioning-download-your-health-records-now>
